

Soges International Cooperation is participating to the following EC funded tender application:

### **FWC COM 2015 – EUROPEAID/137211//DH/SER/Multi LOTS 1 EVALUATION**

The European Commission is willing to conclude a FWC with reopened competition for each assignment to carry out strategic evaluations of its international cooperation and development relations.

The **Contract objective** is to ensure that results of EU co-operation strategies and their implementation are available to the EU services and relevant stakeholders to foster the up-take of lessons learned and to inform the decision making.

The **scope of this contract** is to carry out strategic evaluation, whether:

- at Country level,
- Thematic and sectoral level,
- of Budget support operations,
- of Financial instruments,
- of Channels of aid implementation (other than Budget support).

To this end we are looking for different profiles of **Evaluation experts**, namely Senior, Medium and Junior experts, as follows:

#### **Qualifications and skills**

Education at least Master Degree level or alternatively relevant professional experience of minimum 12 years. The Specific Terms of Reference will further define the required education sector and type of experience.

#### **Professional experience**

- a) Senior expert: at least 10 years;
- b) Medium expert: at least 5 years;
- c) Junior: at least 3 years;
- d) Project manager shall have at least 3 years of expertise in similar positions.

The skills required shall be further specified in the ToR for specific assignments.

#### **Language skills**

The language skills required will be defined in the Specific ToR. However, working languages are mainly English and French.

**Geographical area of the assignment:** The geographic coverage includes countries under the portfolio of the Directorate General for International co-operation and development – EuropeAid and Directorate general for Neighbourhood and Enlargement negotiations. Other third countries (OECD) could also be covered by some assignments but to a lesser extent. Depending on the type of specific assignment the work to be carried out at field level can vary substantially in terms of missions, and will be defined within the specific ToR. technical assistance programme which will enable the beneficiary countries to enhance their programme and project management capabilities.

Interested candidates should send their CV to [giulia.bartolini@sogesnetwork.eu](mailto:giulia.bartolini@sogesnetwork.eu)

**Deadline** for applications : 02/10/2015

Only candidates matching selection criteria will be contacted.
