

Soges International Cooperation has been shortlisted for the following EC funded technical assistance project launched by the TBT programme:

“Knowledge Dissemination on TBT Practices”

The project **duration** is 5 months.

We are looking for a **Key expert 1 (Team Leader) TBT expert with experience on donor-funded projects**, as follows:

Country: ACP countries

Working days input:

50 working days over the contract duration.

Qualifications and skills

- A University degree in Economics, Law or International Trade or a relevant, directly related discipline
- Excellent language skills in both English and French.

Preferably

- Demonstrated ability to make oral and public presentations of technical issues in a simplified manner
- Excellent communicating and reporting skills

General professional experience

- At least 8 years of experience in Quality Infrastructure or export quality management systems

Preferably

- At least 3 years of experience in donor funded assistance projects, if possible in developing countries;
- Good knowledge of the WTO Agreement on Technical Barriers to Trade, with a pertinent analytical experience on trade policy

Specific professional experience

- Significant experience in the organisation, animation of training/workshops on international trade matters

Preferably

- Relevant experience in leading training workshops on the application of quality infrastructure components
- Experience with EU-funded projects on trade facilitation
- Experience in ACP countries.

Interested candidates should send their CV to claudia.alice@sogesnetwork.eu

Deadline for applications: 22/06/2016

Only candidates matching selection criteria will be contacted.
